FAITH CONNECTIONS: HEBREWS

A pilgrimage, thoughtfully planned, requires a carefully mapped route and a long-term commitment. It requires more than an occasional burst of spiritual exercise. It is in the faithful commitment to in-depth Bible study that we develop the kind of spiritual energy and endurance that promotes our "long obedience."

JACK CROSSEN 9:30 AM RM 2/3

PROPHECY & CURRENT EVENTS

We'll look at prophecy and the verbal inspiration of scripture as well as various Bible codes such as those discovered by Dr. Ivan Panin, along with some of the equidistant letter sequence codes discovered by Weissmandel and others. We'll also look at current events in light of prophecy. Materials: books of Ruth, Daniel, Chuck Missler's, "Cosmic Codes" and the works of Ivan Panin. This will be an exciting class for the time in which we are living!

THE TRUTH PROJECT

Do you really believe that what you believe is really true?

Only 9 percent of professing Christians have a biblical worldview. Because of this, today's believers live very similarly to non-believers. A personal sense of significance is rarely experienced, we spend our money and time on things that fail to satisfy and we begin to wonder what life's ultimate purpose really is. We are, in short, losing our bearings as a people and a nation.

The Truth Project is a DVD-based small group curriculum composed of 12 one-hour lessons taught by Dr. Del Tackett. This study is the starting point for looking at life from a biblical perspective. Each lesson discusses in great detail the relevance and importance of living the Christian worldview in daily life.
