

## WHAT IS TROOP 7 UXBRIDGE?

Troop 7 is a Christian Scout Troop whose purpose is to guide boys into a deeper relationship with Jesus Christ, while teaching them skills to help them grow into leaders who will positively impact their world. Our spiritual foundation enhances the BSA program of outdoor activities that teaches teamwork, physical fitness, discipline, and citizenship. We want to see boys grow in their faith and leadership skills as they learn to enjoy, respect, and protect God's magnificent creation.

## Scouting with a Difference

Would you like your boy to be part of a program designed to build strong character, impart godly values, and teach leadership skills; one that offers opportunities for outdoor learning and adventure? One organization that has been providing these skills and opportunities to boys for more than 90 years and continues strong today is the Boy Scouts of America.

The principles of scouting are evident in the Scout Oath and Law. "On my honor I will do my best to do my duty to God and my country, and to obey the Scout Law; to help other people at all times, to keep myself physically strong, mentally awake, and morally straight." [Oath] "A scout is trustworthy, loyal, helpful, friendly, courteous, kind, obedient, cheerful, thrifty, brave, clean and reverent." [Law]

We would like to introduce you to Boy Scout Troop 7 in Uxbridge. We are a BSA troop with a Christian charter, which means we are free to proclaim the gospel of Jesus Christ. With God as our center, the twelve points of the Scout Law are taught through the prism of scripture. And because we are a Christian troop, the men who lead our scouts are committed Christians. In our program, boys hike and camp every month, learning many skills from camping to caring for God's creation. Scouts gain experience in working together in groups on service projects to benefit the community as well as the troop. They hold fundraisers to help pay for summer camp and to purchase troop equipment. They also participate in parades, jamborees, and regional and local events that teach good citizenship.

We believe that the Troop 7 Uxbridge program, now in its fourth year, has much to offer to your boy. We would be happy to talk with you about our program. We also welcome your support. With 34% of children growing up today in homes without a father, role-modeling Christian manhood is critical for this generation of boys who will be the men and leaders of tomorrow. We believe they are worth investing in. Do you?
